

EPQ - Vision

EXTENDED PROJECT
QUALIFICATION

»» Vision

- Undergraduate level student
- Fully independent
- Sophisticated, academic researcher
- Confident with professionals
- Sophisticated, academic writer
- Understands & appreciates own strengths and weaknesses

»» Philosophy

“The EPQ gives an opportunity for highly able students to pursue, in depth, an area of interest that is not provided through any other taught course.

It adds ‘breadth and depth’ to the post 16 curriculum and ‘adds value’ in terms of academic and subject specific pathways. By recognising the uniqueness of the learner we are ideally placed to develop life-long transferable skills”.

EPQ Overview

	Year 12	Year 13
Planning & Monitoring	<ul style="list-style-type: none"> Identifying a topic Managing time Monitoring progress Making appropriate decisions
