

Year 8 Bushcraft Trip Boughton Woods

Arriving at one of the safari-style tented camps, students will become fully enveloped in the wilderness, sleeping under the stars, and cooking over open fires. Away from screens and technology, the activities encourage team building and give students the chance to develop new skills and interact with their peers in a fun, creative environment. Whether they are learning first-aid techniques, building shelters or tackling a SOS scenario, our outdoor adventures are as real as you can get.
